**OR**

I do not grant authority to \_\_\_\_\_ for the use of any video  
(school)

tapes, photographs, or similar items in which my child/children might appear, or statements made by them, in the production, display or sale of public service announcements. I understand that it is my responsibility to advise my child/children to absent themselves from any team/group pictures which might be used for publication. It is not my intent to block the use of a team/group picture in which my child/children appear. I do desire, however, that my child/children be allowed to absent themselves upon request without consequence from group pictures and that their individual photos not be used for publication.
