Holiday Gala

2018

A Warm Welcome

Welcome to the 18th Annual Sacred Heart Booster Club Holiday Gala! We hope you have a fun evening and enjoy the company of those with you!

As a Catholic School, Sacred Heart must look for ways to raise money each year to ensure our continued success. We are thankful to all of you here tonight supporting this cause!

We are fortunate to have received many fine auction items from individuals and business owners. Without these donations, the Holiday Gala would not be possible. Please let them know their support is appreciated with a kind word and your patronage.

Thank you for attending tonight and for your support of Catholic Education at Sacred Heart School. God Bless You!

Sincerely,

Sacred Heart Booster Club

2. Group bids are allowed, but one bidder should be designated and use only his/her bid number. Separate contracts can be filled out for each purchaser at the checkout table or one person can be responsible for collecting from others in the group.
3. To enter a bid, the bidder must raise their bid number high to attract the attention of the auctioneer or spotters.
4. The decisions of the auctioneer are final.
5. All sales are final. There are no exchanges or refund on items.
6. When an item is not displayed, the purchaser will receive a gift certificate for the promised gift. Purchasers should check the expiration date on all certificates.
7. Payment by the successful bidder may be made with cash or check after the cashier receives the final bid from the clerk.

12. The Booster Club makes no express or implied warranties on the auction items other than those from the manufacturer, which may be included with the purchase.

Secure our Kids Campaign

This year, in addition to the auction, we are requesting your generosity in helping us upgrade security features throughout Sacred Heart School.

Sacred Heart School has received grant money to upgrade from door locks to key fobs on one door to the school. Our goal is to raise money to upgrade the other school door, the preschool door, and the music room door. We would also like to purchase other security features, such as cameras, as money allows.

Our ultimate goal would be to build a vestibule at the east end of the school for students, teachers, and guests to enter. This would allow guests to enter in one door and get out of the elements but not gain access to the school until buzzed in the second door by school personnel. This would also result in energy savings!

You may make a pledge using the donation cards at your table! Any amount you can give would be greatly appreciated!

The success of this night would not have been possible without the countless hours spent by volunteers! The funds raised tonight would not have occurred without the dedicated efforts of all involved in putting this event together. Please know that each and every one of you is greatly appreciated!

Thank you again to all our individual and business donors. We ask that you please support these businesses whose generosity has added tremendously to the success of this evening and in turn our students.

We are extremely thankful for Sacred Heart School and the Catholic Education it provides to our students. We are extra grateful to the Sacred Heart and Religious Education teachers and staff that take our children's education to heart.

To all who have supported Catholic education in any way, may God's graces continue to shine on you.

**Plan on attending the 2019 Sacred Heart Holiday Gala
on Saturday, November 16, 2019.**

**(Note: It will be 2 weeks before Thanksgiving
due to the NCYC trip)**

*Thank you to all who donated after the printing
of this program on November 12th.*

Please know that your generosity is greatly appreciated!
